9) A glance at the scale of pay of Assistant and Sub Assistant Surgeons will show that the proviso suggested by the Financial Branch is not necessary, as promotion by two classes of their grade will never take them to double their existing pay. The Senior Surgeon's recommendation may therefore be approved.

Medical Department who are below the age of 40, who may be willing to proceed on active service with the Mysore contingent, to have their names registered in this office.

I may add that the concession offered as an inducement, namely, temporary promotion by two grades classes in the grade and a field service allowance of 50 % of such temporary pay is not too much, considering the risk they are willing to undergo.

Early orders are solicited.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.
